Deprivation Summary

This LSOA is 18278/32,482 (56%) in England for the Economic Deprivation Index (lower % = worse)

Index of Multiple Deprivation 2010

The IMD combines a number of indicators, arranged by themes, into a single deprivation score for each area in England, allowing each LSOA to be ranked according to their level of deprivation.

Shaded areas indicate that the value is within the 20% most deprived areas within England.
