Dear Sir/Madam,

Re: Neighbourhood Plan

I write to inform you that this Council wishes to submit the Parish of Liskeard as an area for a Neighbourhood Plan. The Council is the appropriate body to steer and facilitate the submission of such a Plan.

I enclose a map showing the proposed neighbourhood area. From this you will note that it covers the whole of the Parish.

The Council have considered the area in detail and find that the existing Parish boundaries which enclose the historic settlement with its listed buildings and conservation areas. The residents within the Parish have indicated that they must have an input into its future development. Neighbouring Parishes have been consulted and will continue to be consulted where there are common interests and amenities i.e transport and drainage.

Since May of this year the Mayor of Liskeard has consulted with the general public through her monthly public meetings and the Council have consulted at the Liskeard Agricultural Show as to whether the Parishioners consider that a Neighbourhood Plan is appropriate for the Parish. In addition a presentation was made to the Liskeard Town Forum which fully endorses and supports a Neighbourhood Plan for Liskeard. There has been an overwhelming endorsement that this Council proceed with such a Plan. The local community wish to be involved and to engage in the decisions that affect the future of their Town.

This Council looks forward to liaising with Cornwall Council in the delivery of an effective Neighbourhood Plan.

Yours sincerely

A. J. Deacon
Town Clerk
