

## Employment WG meeting 27<sup>th</sup> May 2015

It is evident that at this meeting we now need to:

1. Finalise our Aims and Obs
2. Decide upon any other engagement with stakeholders.
3. Decide what will go in to our Strategy Report.
4. Bring the work of the group near to a conclusion if possible.

If anyone has any ideas to add and contribute, please share by email prior to the meeting. This will speed up the process.
