10 Review of meeting

What was good:

Chairing incl timings
Background info
Know where we're going next
Got through a lot of paperwork quite easily
Know what we're doing in empty shops - JH
Getting teeth into a specific site

What should be different/better:

Project more info instead of paper copies
Natural light
Try to keep perspective & keep things simple
Be able to see several stages followed - dissipate fog
Move to being more externally focused

11 DONM: 1pm **Wednesday 1 April**, Refreshment Room, Public Hall

Further meeting dates – 15 and 28 April
