**LISKEARD NEIGHBOURHOOD PLAN**  
... gathers momentum

During the Spring, four groups of committed community volunteers have spent many hours researching, discussing, and consulting with stakeholders on the areas you as a town said were important to include in our Neighbourhood Plan – namely:

- employment & skills;
- housing;
- green spaces & leisure, and
- town centre vitality.

They have looked at many areas ranging from potential brownfield and smaller neighbourhood sites; town centre opportunities; heritage conservation; through to training

support and sustainable employment areas; to protection of valued green spaces and how we can improve connectivity around the town and hinterland.

All this information will now feed into the next stage of policy-writing over the Summer with further consultation and an independent review to follow.

Keep up-to-date and add your comments at [www.planliskeard.co.uk](http://www.planliskeard.co.uk), follow us on facebook, tweet to @planliskeard, or leave your details at the Town Council Offices (Tel. 01579 345407).

**Liskeard and Looe Community Network Panel**

You can find out more about matters that affect your community at Liskeard and Looe Community Network Panel meetings. The panel meets quarterly to discuss local community issues and works on agreed priorities that can be delivered by Cornwall Council and other agencies like the police and health services. Some of the areas that Liskeard and Looe Community Network Panel is working on include: lobbying for improvements to the A38; economic development; tourism; community planning; street cleaning and dog fouling.

The panel includes all eight Cornwall Councillors for the area and representatives of the 18 town and parish councils within the Liskeard and Looe Community Network. Panel meetings are open to the public, so come along and see what's happening in your area. There's more about the panel, including meeting dates and times on [www.cornwall.gov.uk/liskeardlooeacna](http://www.cornwall.gov.uk/liskeardlooeacna).
