#### Legend

 Proposed Area of Local Landscape and Historic Value

#### National Landscape Character

-  LLCA High Wood Valley - Halbathick to Moorswater
-  LLCA Looe Downs to Looe Mills
-  LLCA Ladye Park / Old Park Valley
-  LLCA Trevecca to Lanseaton Farmed Rolling Plateau
-  LLCA River Seaton Floodplain - Rosecraddoc to Hendra
-  Urbanised area of Liskeard
-  NB: southern and eastern boundaries drawn as desk based.

#### Notes

Area boundaries are approximate based on field observations and NDP Group consultation drawn to follow physical features on the ground where possible. The nature of landscape character at such a local level means that boundaries are more normally transitional and that character areas extend beyond the boundary of the proposed ALLHV.
